

Welcome to

We Established High Pressure Die Casting Aluminium foundry in **2007**.

Location – SHAPAR (VERAVAL).

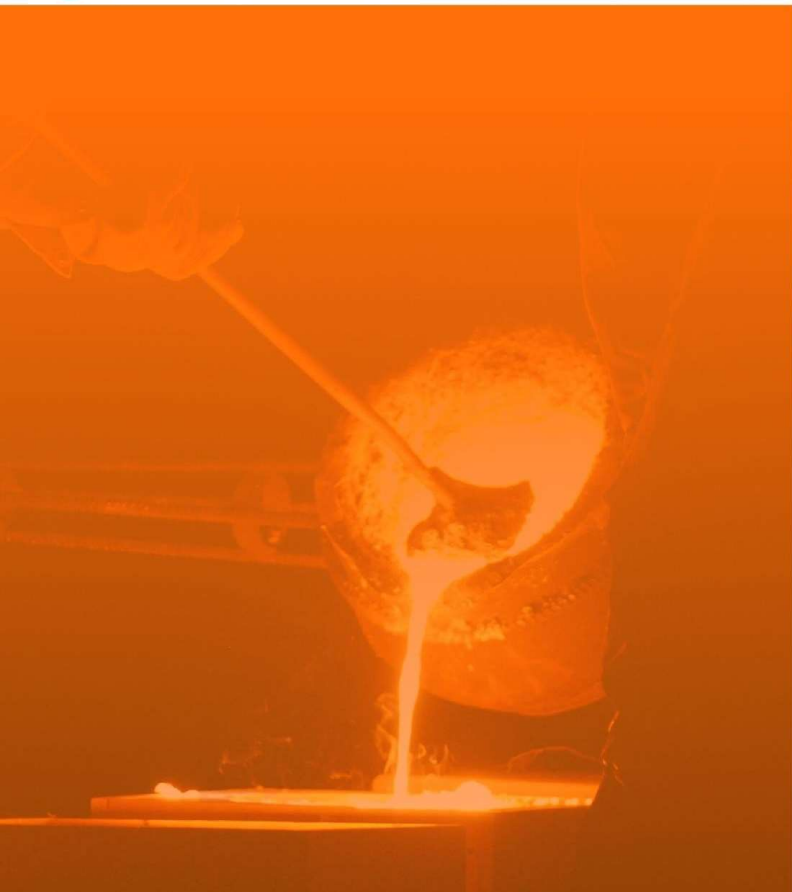

Started with one machine

OUR MANUFACTURING FACILITY

Die Casting Machines – 3 Techno Crats
Multi step HPDC. (Locking force - 120T and 180T)

Holding Furnace
low energy consuming top heating electric
furnace - 3. (200kgs/hr)

Melt Treatment
Nitrogen Degassing Machine.

QUALITY ASSURANCE

Component testing

Gauges, Tools

Fettling

At HPDC cell fettling and manual inspection with go-no go gauges

Shot Blasting

Shot Blasting machine for surface finish requirement.

HIGH PRESSURE DIE CASTING

RAW MATERIAL OF HPDC

INGOTS

SCRAPS

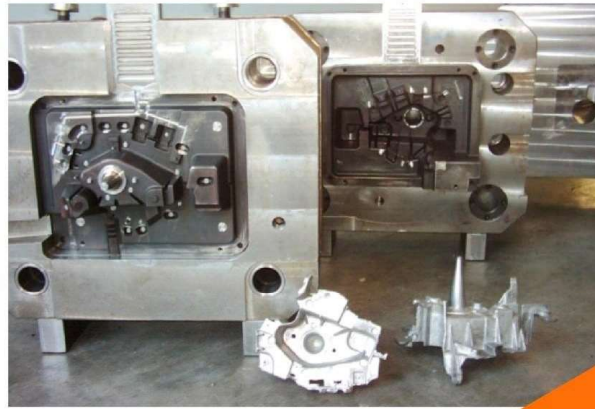

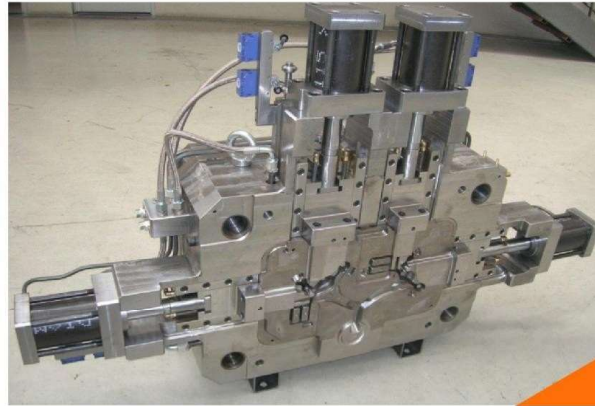

HH Precision
Casting

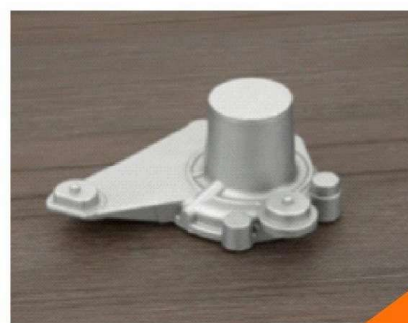

ELECTRICAL FURNACE
45KV, 35KV AND 25KV

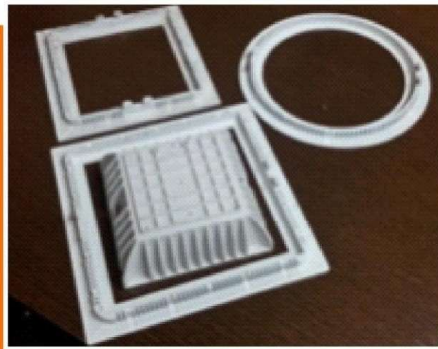

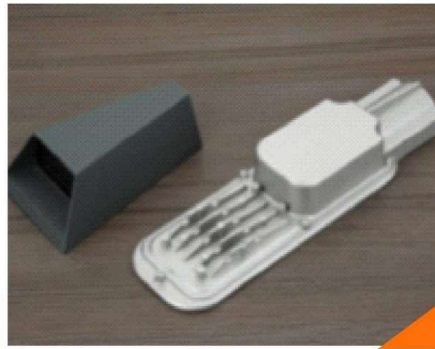

HPDC DIES

AUTO PARTS ITEMS

ELECTRICAL ITEMS

AGRICULTURE ITEM

CERAMIC PARTS

KITCHENWARE ITEMS

INDUSTRIAL VALVE HANDLES

OUR OTHER **SERVICES**

- Aluminium Sand Casting
- Aluminium Gravity Die Casting
- Aluminium Forging
- Aluminium Extrusion with Customize Shape
- Aluminium Machined Parts

***ANY SOLUTION RELATED ALUMINIUM**

YOU CAN REFER US TO

- Exporter Deals In Engineering Goods
- Kitchenware Mfg. who are making product in Metal
- Die Makers
(Injection Molding, Forging, Sand Mold, Gravity Mold, etc...)
- Investment Casting Mfg.
- Hose Collar Supplier
- Scaffolding Supplier

Thank you

HH PRECISION CASTING

Survey No : 48/3, Plot No : 11 & 12, Near Balaji Industrial Area.
